**From:** Laura C. Harrod, M. S. Ed.   
Kentucky Vaccine Accountability Section (VAS) Coordinator

**Date:** June 2, 2015

**Subject:** New VFC Vaccines and Order Form

The Kentucky Vaccines for Children Program is in the process of adding four new vaccines to the program. The first three vaccines listed below are available for ordering now and the fourth will be available soon:

**1) Merck: Gardasil 9vHPV (HPV 9-valent)**

NDC: 00006-4119-03, 10 pack – 1 dose vial

- a) **Private providers:** Available now by using the attached new order form.
- b) **Local Health Departments:** Available for ordering after your Medical Director signs the new HPV9 protocols for the CCSG. Order using the attached new order form.

Merck has not set up any type of exchange program for any remaining 4vHPV doses left in your inventory. Please continue to administer 4vHPV until you have used down or depleted your inventory. Once your inventory is reduced or depleted you can order 9vHPV from the program.

**2) Novartis: Bexsero (MENB)**

NDC: 46028-0114-01, 10 pack – 1 dose syringe OR 46028-0114-02, 1 pack – 1 dose syringe

- a) **Private providers:** Available now by using the attached new order form.
- b) **Local Health Departments:** Available for ordering after your Medical Director signs the new MENB protocols for the CCSG. Order using the attached new order form.

**3) Pfizer: Trumenba (MENB)**

NDC: 00005-0100-10, 10 pack – 1 dose syringe

- a) **Private providers**: Available now by using the attached new order form.
- b) **Local Health Departments**: Available for ordering after your Medical Director signs the new MENB protocols for the CCSG. Order using the attached new order form.

Meningococcal serogroup B vaccines have been recommend by the ACIP **only** for children ages 10-18 who are at increased risk for meningococcal disease attributable to serogroup B, including children with immune deficiencies and children at increased risk of a disease outbreak attributable to serogroup B. Both Meningococcal vaccines can be found on page 3 of the Vaccine Order Form under "Special Vaccines".

**4) Sanofi Pasteur: Quadracel**

This vaccine is listed on the new order form but is **NOT** currently available on the Program. We will notify providers by memo with ordering information when the vaccine becomes available.

Please destroy all blank or copies of the old Vaccine Order Forms you have in stock and begin using the new order form immediately.

Please submit your completed Order Form by e-mail to ([dph.kvp@ky.gov](mailto:dph.kvp@ky.gov)) or fax (502/696-4923).
